### INSIDE THIS ISSUE

Mrs. Gross—Math.....	1
Miss EMac—Science .....	2
Miss AMac—Social Studies.....	2
Mrs. Jacobson—ELA .....	3
Reading/Leadership .....	3

### SPECIAL POINTS OF INTEREST

- Math— HW #9 Due Fri.
- Math—Test Thursday
- Science— Thermal Energy Projects Due by Wed.
- Science—Vocabulary Quiz , Mon. Oct. 31
- Social Studies— Egypt Project, due Nov. 15
- ELA—Self-Paced Learning pretest Friday

## MISS E.MAC'S SCIENCE CLASS

This week in Science class we will be concluding our Thermal Energy Project. This project is a 100 point test grade! Information about Thermal Energy Project & Vocabulary for this unit can be found on the classroom website: <http://scmsscience.weebly.com/energy-unit.html>

Tuesday- Students must come to class with a finished product so that they can test their product. Students will have time to add finishing touches to their presentations. All presentations should be shared with me before they leave class.

Wednesday & Thursday- Students will be presenting their Shark Tank Presentations.

Friday- Students will complete a self-reflection on their Thermal Energy Projects.

Monday- Students should be prepared to take their Energy Vocabulary Quiz.

## MISS AMAC'S SOCIAL STUDIES CLASS

Welcome back! This is a very important and exciting week in Social Studies. Beginning Tuesday we will start our Ancient Egypt Research Project which will encompass the next 3 1/2 weeks of class in both Social Studies and Language Arts. Please ask your students to see their project packet and check out our online resources in the class website. The resources include the calendar to keep students on track with their project which is due on Tuesday, November 15th. This week students will be responsible for: choosing a research topic, research, & keeping track of sources.

Additionally, we are in full planning mode for our annual Pancakes for Patriots program on November 11th. Please check out <http://scmshistory7.weebly.com/veterans-day.html> for ways you can help.

The Week Ahead...

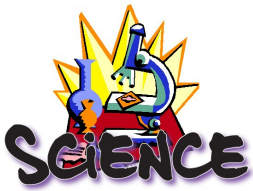

Tuesday: Project Introduction, Choosing a Research Question

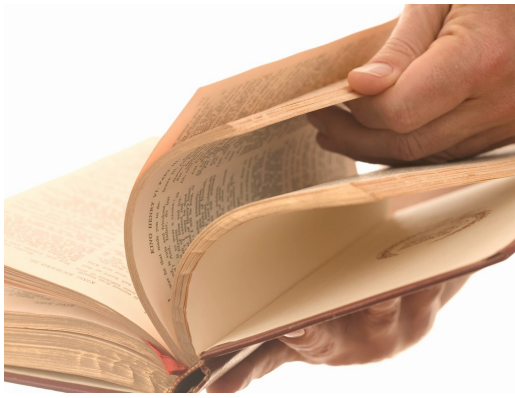

Wednesday: Research

Thursday: Research & Citing Sources

Friday: Research

Don't forget to sign up for my text reminders: text @amacss to 81010

## MRS. JACOBSON'S LANGUAGE ARTS

This week in ELA, we will focus on research foundational work. This will prepare students to write Egypt Research Papers in collaboration with Social Studies.

Tuesday- No Brain Strain Day. Instead, we will learn the "Envelope Method" for conducting research.

Wednesday- We will learn to paraphrase information found during research to avoid plagiarism.

Thursday- We will learn to cite sources to avoid plagiarism.

Friday- We will have Brain Strain Day & will pre-test for the Self Paced Learning skills students will be responsible for Self Paced Learning.

**This week is Spirit Week!**

**Tuesday- Wear Blue**

**Wednesday- Mismatch**

**Thursday- Tacky Tourist**

**Friday- All Out Blue & Gold Day**

## READING/ LEADERSHIP CLASS

Reading:

We are doing a “One Book One School” read. All of SCMS will be reading *Touching Spirit Bear* by Ben Mikaelson. If you are interested in reading this book with us, here is a PDF copy of it: [Touching Spirit Bear](#)

Leadership:

On Wednesday, students will hear presentations on Habit 5: Seek First to Understand, then to be Understood, from Mrs. Krause's 5th period class.
